Dream IT Mission Statement

DreamIT ESL Inc.'s mission is to offer English Language instruction in order to empower students to succeed in the 21st Century global community, confident in their language abilities for whatever practical, professional, and/or academic personal goals they pursue.

IEP *Intensive English Program*

Intensive English Course at DreamIT ESL prepares students with the core language skills including listening, speaking, reading, and writing. In addition, this course develops students' critical thinking skills needed in order to be successful in both academic and professional settings. The core competences of reading, writing, listening, and speaking will be given equal importance. Each level, students practice all skills through thematic units suitable for thriving in the 21st century.
